Can you believe it?

Our Sunday/Monday sermon series for March is based on our gospel readings.

These readings help us dive into our beliefs, especially as we face challenging subjects like the ones presented to Jesus. What did Jesus say and how can His words help us as our lives intersect with others?

March 1 - Facing Temptation! -

Matthew 4:1-11

March 8 - Are you born again? John 3:1-17

March 15 - How to Worship - John 4:5-30

March 22 - Why do bad things happen?

-John 9:1-41

March 29 - Can You Believe It?

Currently, I am in a Bible Study and we are working our way through Hebrews. In Hebrews 6: 18-19 "So God has both His promise and his oath. These two things are unchangeable because it was impossible for God to lie. Therefore, we who have fled to him for refuge can have great confidence as we hold to the hope that lies before us. This hope is a strong and trustworthy anchor for our souls. It leads us through the curtain in God's inner sanctuary."

I am thankful we live during a time of the "new covenant" given to us in Christ Jesus. We no longer have the old practices of shedding animal's blood or depending on the current high priest of the temple to go before God for us in the temple. We now have direct access to our Heavenly Father because of what Christ has already done for us; once and for all. May we remember in confident assurance and rejoice that the payment for our sins has been paid in full. Our father continues to invite us to draw near to Him each day.

Amen

Thank you for picking up the little blue houses for "CHANGE" to support foster care families in Montana. Return date is by March 15.

Meet Rob and Sarah Wellemeyer!! The cutest and sweetest parents of our dear Lilah in 3rd grade.

Rob and Sarah opened the restaurant in October 2007 and for five years also operated a Taco Del Sol (TDS) in Whitefish. They started the restaurant with employees only being family members; having no idea they would have immediate success. Their family has always been proud owners of small businesses with Sarah's dad, Steve, as the owner /operator of Cofer Logging for 40 years in the Flathead Valley.

Taco Del Sol's menu offers fast, fresh Mexican food with three types of beans, six types of meat, and two fresh salsas daily! YUMMY!!!!!! In the peak summer months they will use almost 500 pounds of tomatoes each week. Their most popular food items are the fish taco or their supreme burrito, customers are not allowed to leave still hungry! (Order the fish tacos and/or burritos!! They are SO AMAZING!!!! And the chips and Salsa! ~Tanja Heuscher)

In their 12 1/2 years being open, they have survived differing economies due to dedication to family, faith, and hard work. They feel blessed to be able to send their 3rd grade daughter to TLS where they started in kindergarten with the amazing Mrs. Junk. They say TLS feels like an extension of the things they think are important and are grateful to be able to serve the community through their business. If they ever have time to step away from the restaurant they love camping with their dog Loki and taking advantage of all the amazing things to do around the valley. (Loki refuses to get in their canoe but they will keep trying!)

Stop by and order up some amazing mexican goodies for your family at Taco Del Sol up by Home Depot! Su comida es simplemente deliciosa!!! (Their food is simply delicious!!!) And you will definitely not go away hungry.
